CRAZY PIZZA FACT

-350 SLICES OF PIZZA ARE CONSUMED EVERY SECOND IN THE UNITED STATES (THAT EQUALS 100 ACRES OF PIZZA!!)

OUR PHILOSOPHY

We take pride in our authentic style, thin crust pizza. Each one is carefully hand made with fresh ingredients we are proud to serve our own family. No measuring or weighing. This makes each pizza unique. All of our sauces and dough are house made from scratch with recipes we have developed and adapted ourselves. We care what you think and endeavour to make every pizza exactly as you like.
